Manufacturers Address: 6441 SE Johnson Creek Blvd.
Portland, OR 97206
USA

Machinery Description: Electric Kiln

Models: BC614-3, BC714-3, BC818-3, BC1018-3, BC1027-3, BC1227-3, BC1627PK-3, KM1627PK-3, KM1227PK-3, KM1231PK-3 Envirovent™, KM614-3, KM714-3, KM818-3, KM1018-3, KM1218-3, KM1027-3, KM1227-3, CC1227-3, CC1027-3, CC1018-3, CC818-3, CC714-3, CC1014, Hotstart Pro, GM814, GM1014, GM1214, GM1414, GM818, GM1018, GM1227, GM22CS, FSX1627, FIREBOX 14, FIREBOX 8

Serial Numbers: SN101909 (1998) or higher: SN3691 or higher

The above mentioned electric kilns comply with all the essential requirements of the Low Voltage Directive and the EMC Directive.

These directives are: Low Volt. Dir. 73/23/EEC, and EMC Dir. 89/336/EEC.

We hereby declare that the listed products comply with the requirements of the EU Directives stated by meeting the following standards:

Applied EU regulations: EN55011 (emissions), EN50082-1 (immunity) EN60335-1 (electric household appliances) EN60519-1 (electro-installations), EN60519-2 (electro-installations), EN55014 (emissions), EN60034-1 (IEC 34-1). Motor information is included on form VDE 43E.

This product must be installed and operated by competent personnel. When this unit is connected to or operated with other machines, the builder or user must ensure that the installation complies with the relevant EU Directives before use. Any unauthorized changes or modifications to the product will result in this declaration becoming void.
