

# INTRO TO CLAY DAY

*Today we will explore clay, how to take care of it in the classroom and learn some handbuilding techniques.*

What do you  
know about clay?

# WEDGING

This helps to get the air out and softens the clay so it's easy to use

# PINCH POT

# COILS

# SLABS

# SCORE

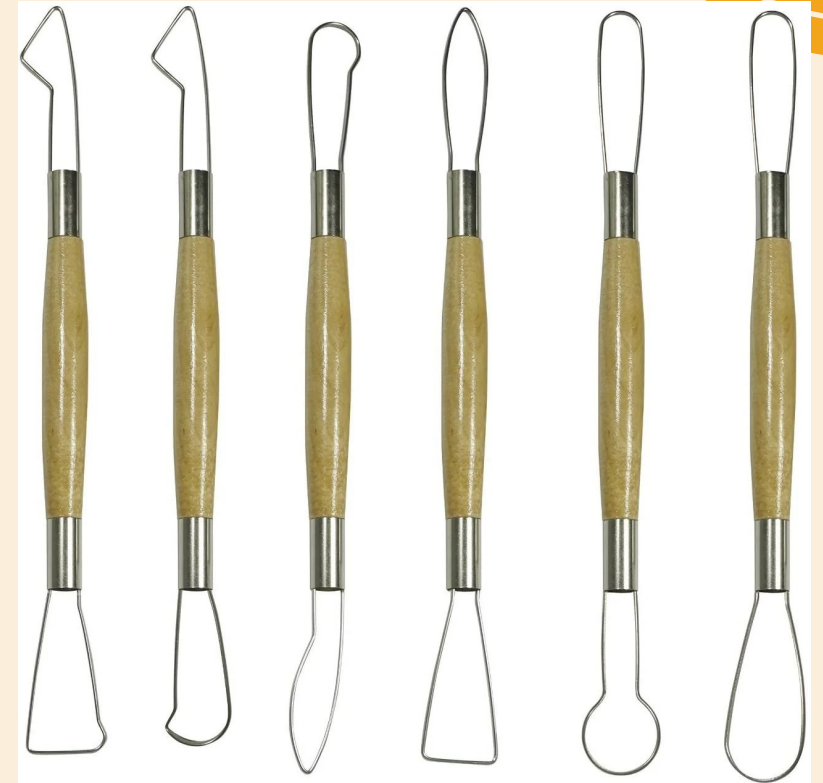

# SLIP

# SECURE

Use this to attach pieces to each other

# CARVING

# SMOOTHING

**WOULD YOU LIKE TO KNOW  
WHAT  
YOUR PROJECT IS?**

# Story-Telling Plates

Telling a story with sculpting clay
