— Concept Sketches

Create **3 unique** board game-inspired ceramic **concept sketches**.

Think in 3D! Make **notes** on your sketches as needed.

Ceramics

Board Game Pieces

1. Section your clay.
2. Create a **slab** base as thick as your finger.

3. Use hand-building techniques to create parts or pieces you will need.

4. Score, slip, and attach your pieces together.

5. Add your name using alphabet stamps on the baseplate!
